

Suggested Advanced Education for the NA-CLTM Exam

LTM 102 Seizures (20 ASET CEUs)

LTM 107 Continuous Monitoring in the ICU (20 ASET CEUs)

LTM 108 Long-term Monitoring for Epilepsy (10 ASET CEUs)

IONM 110 Monitoring During Functional Cortical Mapping and Electrocorticography (8 ASET CEUs)

Webinars:

Adult-Pediatrics EEG Terminology for LTM and ICU Recording (1 ASET CEU)

CEEG in the ICU: Subclinical Seizures and Other Indications (1 ASET CEU)

High Frequent Oscillations and the EEG (1 ASET CEU)

Hypothermia Protocols for EEG Monitoring (1 ASET CEU)

New Alternative Treatments in Epilepsy (1 ASET CEU)

Seizure Localization Techniques in Mapping for Epilepsy Surgery (1 ASET CEU)

Introduction for Neuroimaging: Part 1 and Part 2 (2 ASET CEUs)

These courses can be found at:

www.aset.org

ABRET Advanced Practice LTM CE Qualifications

Education obtained from ANY of the following sources will be considered Advanced Practice LTM Continuing Education (CE):

- ACNS Meeting LTM CE (excludes ACNS Basic EEG Course)
- AES Meeting LTM CE
- ASET LTM Courses and Presentations
 - Designated as Advanced Practice-LTM CE by ABRET (see list above)
- In-House Meetings or Record Review Sessions with Documentation Attesting to Advanced Practice LTM Topic signed by a NeuroAnalyst-CLTM (NA-CLTM) or Attending Physician
 - The MAXIMUM number of In-House Meetings or Record Review Session CE allowed is 50% of the total Advanced Practice-LTM required.
 - In-House Meetings or Record Review Session CE are not required.

ASET LTM Courses and Presentations Designated as Advanced Practice-LTM CE by ABRET

(List provided above on page 1)

Upload this form along with the other required documents to your NA-CLTM application through ABRET Credential Management on the ABRET website - Apply. Incomplete forms will not be accepted.

Advanced Practice LTM Continuing Education (AP-LTM CE) Completion Form for In-house EEG Record Review with a NeuroAnalyst-CLTM or Attending Epileptologist

- 1 AP-LTM CE is awarded for each hour of dedicated¹ review alongside an attending epileptologist or NeuroAnalyst-CLTM
- Form should be filled out by the applicant; relevant fields including signature of NeuroAnalyst-CLTM or attending epileptologist are required
- No more than half of the total required AP-LTM CE can be from in-house review sessions

Date of Record Review: _____

Duration of Record Review: _____

Number of EEGs reviewed: ____; Type of EEGs reviewed (long term such as cEEG/LTM, EMU/VEEG, routine, Wada, etc.):

EEG normal findings identified and discussed, if applicable:

EEG Abnormalities identified and discussed, if applicable:

*I attest that I was an active participant in a side-by-side, ¹live EEG record review (can be in-person or remote/virtual/Zoom/GoToMeeting, etc.) for the declared duration with a NeuroAnalyst-CLTM or an attending epileptologist on this day.

Print Name of Applicant and Date

Signature of Applicant: _____

Print Name of a NeuroAnalyst-CLTM or Attending Epileptologist and Date

Signature of a NeuroAnalyst-CLTM or Attending Epileptologist

¹ live is defined as side-by-side record review in which dialogue (questions, instruction, feedback) is possible and occurs between applicant and a NeuroAnalyst-CLTM or attending epileptologist. This can be carried out remotely so long as both participants are present and able to interact during the review (cannot be pre-recorded).
